The regular monthly meeting of the Mason County Teachers' Circle convened in the High School Building Saturday morning with an increased attendance and interest.

The exercises throughout were of an instructive and entertaining character, beneficial and helpful to all present.

W. T. Berry presented some practical problems in arithmetic. At the next meeting he proposes to demonstrate whether or not 180 stakes 1½ rods apart can be placed on a lot 15 rods square.

Miss Ethel McMillan expressed an opinion that the subject matter of the present school arithmetic could be improved.

W. P. King discussed the new curriculum of the High School. He was very much in favor of an enforcement of the requirements contained therein.

Miss Isabel Henry offered some practical suggestions in the teaching of arithmetic, and W. C. Coryell read a letter from the Secretary of Kentucky Educational Association, which meets this year in Winchester, which promises to be largely attended by Mason county teachers. There was not a dull moment during the entire meeting, the time being taken up with interesting talks and papers read by members of the Circle.

In a few months, and after the rate bill gets into good working order and the two-cent fare bill is a law in all the states, you may look for a reaction of public sentiment and public opinion in favor of the railroads.

Reaction Will Soon Set in, in Favor of the Railroads

The vast interests of the railroads and the enormous number of persons they employ (now nearly two million,) at fair wages, is sure to compel the public to understand that it will not pay to further abuse or unreasonably persecute them, or such a business panic will ensue that would make all the "Black Fridays" of the past appear small in comparison.

The railroad magnates, like the insurance high-rollers, have been made to understand by President ROOSEVELT, who took the initiative, that they must bring their corporations and manipulations within the pale of the law or suffer the consequences, i. e.: either nullification of charters, confiscation, or Governmental control with the ultimate ownership by the Federal authorities.

This is the reason Mr. HARRIMAN has come down off his perch and now wishes to talk these matters over with the President.

HARRIMAN knows that, vast as his paper holdings in railroad stocks and bonds are, he is right now facing such a slump in Wall street as would wipe him off the map as a high and frenzied financier and land him and his con-

feres beneath such a storm of wreck and ruin that they never would be heard of again, only "to point a moral or adorn a tale."

Read the following admissions by Mr. HARRIMAN:

"Railroad managers have, I am willing to admit, in the past neglected to build up a strong, harmonious relationship between themselves and with the Government and the public.

"This matter had been left to subordinate officers, and the result has been that such relations have been completely neglected.

"Now we must take the matter in our own hands in order to bring about a better understanding and co-operation.

"Our policy in the past has been a mistaken one, but it cannot be said that we have neglected our service to the public."

Mr. HARRIMAN's railroad deals were merely railroad steals.

The robins are here; but you'd just as well lay in another ton or two of coal.

How THE President can help the Republican party in Kentucky by appointing partisan Democrats to office is a new method of assistance which cannot be explained by a practical demonstration. It is like one of Mr. BRYAN's "theories," they look right on paper—but—

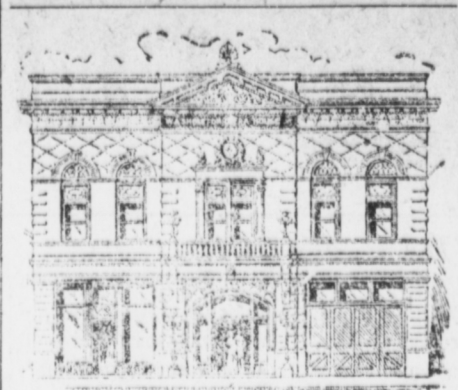

THE resignation of Senator JOHN C. SPOONER from his eminent position in the Senate and the rumor that he is to accept the place of chief counsel for the Harriman interest, leads to the suggestion that the railroad magnates, having purchased a majority of the big men who were employed on the Panama canal with larger salaries, they are now going after United States Senators in the same manner. This would make ABRAHAM LINCOLN remark that—

"You can buy all the people some of the time, and some of the people all the time; but you cannot buy all the people all the time!"

The "soulless corporations" are also now learning the immortal proposition of LINCOLN, and emphasized by THEODORE ROOSEVELT, viz:

"That this is a Government of the people, by the people and for the people."

MR. JEROME will make the whole push crazy if he continues his rapid-fire, meaningless interrogations.

It is said that the French chef at the Sinton Hotel in Cincinnati, gets a salary of \$12,000 a year. We'll wager that there are thousands of old colored mammy's in Kentucky whose cooking would make Monsieur Frogeye's look like 30 cents.

THE Merchant Marine League of the United States has issued a letter showing how the Japs are driving American ships off the Pacific ocean. Unless Congress acts there will be no American ships to the Philippines, save a few old foreign built transports fast wearing out, and the carrying of our military supplies and our munitions of war will be left to the subsidized Japanese steamers. If you think this is simply a howl, just wait and see.

According to a new City Directory, just issued, Louisville has a population of 249,538.

Congress proposes to call a halt on special pension legislation. Hereafter it will be an extremely difficult matter to secure the passage of a bill granting relief to persons unable to get it through the Pension Office. The necessity of taking action was impressed upon both Houses during the session just closed. In round numbers 21,000 pension bills were introduced, and of these, 7,000 were passed. That is to say, one in every three bills presented became a law.

REVIVAL

Perfect Womanhood

The greatest menace to woman's permanent happiness in life is the suffering that comes from some derangement of the feminine organs. Many thousands of women have realized this too late to save their health, barely in time to save their lives.

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study.

If a woman finds that her energies are flagging, that she gets easily tired, dark shadows appear under her eyes, she has backache, headache, bearing-down sensations, nervousness, irregularities or the "blues," she should start at once to build up her system by a tonic with specific powers, such as

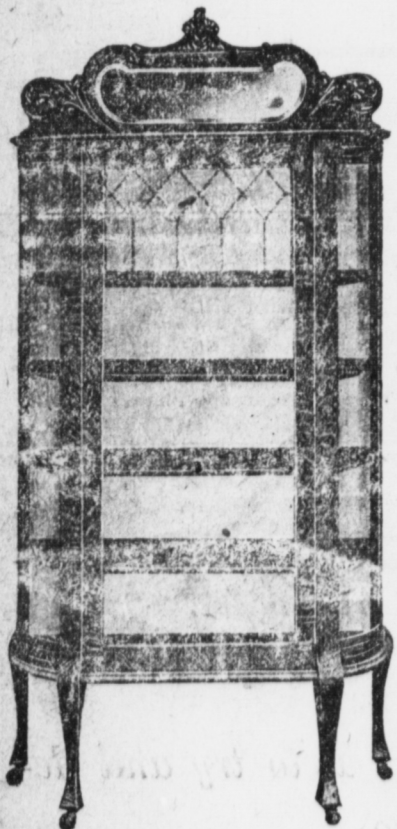

Lydia E. Pinkham's Vegetable Compound

the great woman's remedy for woman's ills, made only of roots and herbs. It cures Female Complaints, such as Dragging Sensations, Weak Back, Failing and Displacements, Inflammation and Ulceration, and all Organic Diseases, and is invaluable in the Change of Life. It dissolves and Expels Tumors at an early stage. Subdues Faintness, Nervous Prostration, Exhaustion, and strengthens and tones the Stomach. Cures Headache, General Debility, Indigestion, and invigorates the whole female system. It is an excellent remedy for derangements of the Kidneys in either sex.

STOMACH TROUBLE CURED WITHOUT DRUGS

Letter Published by Request
of Our Well known Drug-
gist John C. Pecor

To the Editor: Believing that the people of Maysville will be interested in cures by such a simple remedy, we ask you to publish the following for the good it may do others.

Mr. Thomas G. Wallace, of Detroit, Mich., writes: "After having suffered with a severe stomach trouble for years and trying medicines and doctors without any benefit whatever, I commenced to take Vinol, and I am pleased to state that it has entirely cured me, given me a hearty appetite, and I am stronger and in better health than I have been for years."

Mr. John C. Pecor, our local druggist, in referring to Vinol said: "You see Vinol contains all of the healing and strength creating elements of cod liver oil, but without a drop of the useless oil to upset the stomach and retard its work, and tonic iron added."

"Very few people who suffer with stomach trouble can take other forms of cod liver oil and emulsions or sickening drugs, but Vinol strengthens and tones up the weakened nerves of the digestive organs and enables the sufferer to digest with ease the very foods that once caused distress."

"We ask every person in Maysville suffering from stomach trouble to try Vinol on our guarantee."

NOTE—While we are sole agents for Vinol in Maysville, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

Fleming county tobacco growers organized a branch of the Society of Equity Saturday. Up to this time Fleming has been one of the few unorganized counties of the Burley District that will co-operate from now on and will pledge the 1907 crop. Ninety per cent. of the past year's crop is sold and delivered.

There was a fistfight and knock down in Market street Saturday afternoon between two farmers from the East End of the county. One was full of bug juice and the other sober. The latter was trying to load the former into the Tollesboro bus and he resented and kicked over the traces—hence the fight.

FORMER MAYSVILLE BOY Now Antipodean Tourist—John T. Degman Writes From Hawaii

For the first time in many months, Captain C. C. Degman and wife, of Springdale, have received a letter from their son, Mr. John T. Degman, who for five years has been in the far West. As he was at one time a Cadet at the Maysville Military Institute and has many friends in Maysville and vicinity, the following extracts from his letter will prove interesting to the readers of THE PUBLIC LEDGER:

ROYAL HAWAIIAN HOTEL,
HONOLULU, HAWAII, Feb. 19, 1907.

Dear Home Folks: I returned from Australia January 25th. I had a fine trip. While in New Zealand I called on the American Consul who being a Kentuckian, was delighted to see me and treated me royally. I have had many experiences from riding for days over pathless, waterless, deserts, to storms at sea in the tropics, but the most thrilling experience and the sight of my life was my visit last week to the volcano Maunaloa, now active. It is about 200 miles from Honolulu. I went out with an excursion party. We climbed the mountain till we came as close to the crater as the guide would permit. The heat was intense. We camped by the side of the boiling lava flow and cooked our food on it. We walked about listening to the awful roaring noise and watched the vapor and smoke float away forming clouds in the distance.

On one side the mountains went straight down to the sea—cliffs so steep that no man could scale them. On the other side the land drifted away and away, into fertile tropical plains covered with pineapple and coffee plantations. As night came on the grandeur of the scene grew to indescribable majesty. Land and sea were lighted up for miles with a peculiar gruesome light so different from the pure white light of day, giving to everything a weird and supernatural appearance.

We gazed into that awful boiling, seething cauldron of fire, with here and there a geyser of molten lava shooting straight up hundreds of feet in the air, painting the heavens a bright red from horizon to horizon. One felt as though he were seeing the realities of Dante's Inferno. We felt that we were in the presence of Almighty Power. How insignificant we felt in the presence of such a scene! I wrapped myself in a canvas blanket and sat against a palm tree

half the night and gazed in silent awe realizing as never before the sublime in nature. I compared with this awe-inspiring convulsive spot, away out here in the Pacific, the quiet serenity of the winter season in my old Kentucky home, which suddenly seemed so very far away. I thought of the prayers and the petitions wafted from there in my behalf and I promised myself, that if God spares my life I would visit you in the near future. With love to all,

JOHN T. DEGMAN.

Federal Court began today at Frankfort, Judge A. M. J. Cochran presiding. Among the cases docketed for trial is the large damage suit of D. S. Gay against the Chesapeake and Ohio Railway Company for the burning of a big hemp warehouse in Winchester a few years ago. In all there are seven suits against the C. and O. to be tried at this term of Court.

Dollars and Sense!

The sensible fence buyer knows that a little judgment often saves many dollars. No matter how cheap or shoddy the fence is, there is attached to it the worry and expense of putting it up. Why not get the BEST fence in the beginning? Then, when it is up, you are satisfied that it is there to stay. The Royal Field Fence is the best. Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

SPRINGDALE.

Mr. G. B. Kennard of Covadale, Lewis county, was here Wednesday.

Mrs. S. B. Tully and daughter of Garrison were pleasant visitors here Friday.

Mr. Munroe Gill moved his family and produce here from near Concord Lewis county by boat the past week.

Mr. C. C. Degman made a business trip to South Ripley Thursday and one to Concord Lewis county and Wrightsville, Ohio, Friday.

Mrs. T. J. Goodwin returned to her home here Thursday after an almost continuous two months stay at the grief stricken home of her father, Mr. E. H. Bryant.

There were two misleading errors in Mr. C. C. Degman's article on Alfalfa in The Ledger of February 27th. "A joy forever when it comes to the fruit question" should have been "hen-fruit question." As nurse crop "barley" should have been "barley."

We hope that the hustle of other business will not cause us to forget that a Farmers' Institute was organized February 22d. We also hope that the call for the March meeting will contain an urgent request that every one especially the boys and girls of the county who are interested in good roads to be present and organize in connection with the Institute, a "Good Roads Club."

We should all devoutly return thanks that railroad trains are to run at a lower rate of speed and that our patient mail carriers are to receive increased salaries, but every Christian or even people with ordinary reason should oppose the Sunday Free Delivery question. Surely we can do without the daily papers one day in seven. It is sad enough to think of the motormen, railroad engineers and such being deprived of their God-appointed rest day. It is bad enough to have our homes desecrated by the yellow journalism that many of the papers cater to; but do let us defend our homes from such on the blessed Lord's Day.

Mrs. Virgil Hart, a bride of only six months, shot herself in the left breast at her home in Paducah. She told the physicians that it was done accidentally.

Mr. Henry Summers, Editor of the Smith Grove Times, and Miss Eula Frazer of Rich-ardville are to be married today. Mr. Summers was voted the handiest member of the Kentucky Press Association at the annual meeting at Grayson Springs last summer.

SPECIAL TRAIN

Lexington Knights Will Entertain on Cars Here in May.

To obviate any inconveniences that may be caused by lack of hotel accommodations, Webb Commandery, No. 2, Knights Templar, of Lexington, has decided to charter a special train of Pullmans in which to attend the State Conclave to be held in this city in May.

A special Committee has been appointed to arrange with the L. and N. for this special train, which will include a dining car and enough Pullmans to properly accommodate the Commandery and the ladies who will accompany the party.

It is the intention of Webb Commandery to give a reception on the cars, and a band will accompany the party to furnish music for the Commandery and for the reception.

Harrison county Democrats will hold a primary Saturday, April 27th, to select a nominee for State Representative.

The State Anti-Saloon League will shortly begin a local option campaign in Harrison county. Rev. T. S. Buckingham will go to Cincinnati Wednesday to hold a conference with the Ministerial Association of that place, to take the initiatory steps toward inaugurating a campaign against the saloons there. He says the fact that fifteen murders have been committed in and about Cincinnati within as many months has stirred the people of Harrison county to action and that a strong sentiment against the saloon is the result.

BAD BREATH

"For months I had great trouble with my stomach and used all kinds of medicines. My tongue has been actually as green as grass, my breath having a bad odor. Two weeks ago a friend recommended Cascarets and after using them I can willingly and cheerfully say that they have entirely cured me, and therefore let you know that I shall recommend them to any one suffering from such troubles." IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles. A Maysville Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Maysville people testify to permanent cures.

W. H. Paul, carpenter by trade, living at 333 East Third street, Maysville, Ky., says:

"I value Doan's Kidney Pills as highly today as I did when I first used them in 1899. I got a box and used it for a pain in my back and other evidences of a disordered condition of the kidneys which had given me much trouble for two years or more. This remedy acted promptly and I was soon cured. I did not notice any of the difficulties until a year ago. I again procured Doan's Kidney Pills and all symptoms of the trouble were quickly and thoroughly removed.
